

# Gloria Sims, RN

REGISTERED NURSE

**Leander, TX | 254.821.6730 | [info@gloriasimsrnsn@gmail.com](mailto:info@gloriasimsrnsn@gmail.com)**

## Objective

---

Detail-oriented Registered Nurse with strong clinical and communication skills, committed to delivering safe, effective, and compassionate care.

## Experience

---

**MGA Homecare, Austin, TX, Private Duty Registered Nurse, February 2025- June 2025**

- Provided high-quality one-on-one skilled nursing care to pediatric patients in their homes
- Monitored and assessed pediatric patients' health status, administered medications, performed G button care, tracheostomy care, and other prescribed treatments
- Collaborated closely with physicians, therapists, and family members to implement personalized care plans
- Maintained detailed and accurate documentation in compliance with agency policies and regulations

**Cross Creek Hospital, Austin, TX, Admissions Specialist, May 2024- December 2025**

- Conducted comprehensive nursing assessments for new patient admissions to determine care needs, medical priorities, and appropriate placement or services
- Collaborated with physicians, interdisciplinary teams, and families to ensure smooth transitions and continuity of care from admissions to treatment initiation
- Prioritized admissions based on acuity, bed availability, and staffing, and maintained efficient patient flow within the facility.
- Reviewed medical records, physician orders, and insurance documentation to verify eligibility and compliance with regulatory and organizational standards

**Maxim Healthcare, Austin, TX, Private Duty Registered Nurse, April 2023- May 2024**

- Provided high-quality one-on-one skilled nursing care to adult patients in their homes
- Monitored and assessed adult patients' health status, administered medications, performed wound care, and other prescribed treatments
- Educated patients and families on disease management, medication administration, and preventive health practices
- Ensured patient safety, comfort, and dignity while promoting independence and quality of life

**Pavilion at Williamsburg Place, Williamsburg, VA, Psychiatric- Mental Health Registered Nurse,  
May 2022- January 2023**

- Provided comprehensive psychiatric nursing care to patients with acute and chronic mental health disorders, including substance use disorders
- Utilized evidence-based therapeutic communication to build rapport, support de-escalation, and promote emotional stability in patients experiencing crisis
- Administered prescribed medications and monitored therapeutic responses, side effects, and potential interactions, collaborating with psychiatrists as needed
- Implemented individualized nursing care plans, monitored progress, and documented interventions and outcomes accurately in EMR

**Morristown Hamblen Health Care Systems, Morristown, TN, Medical-Surgical Registered Nurse,  
February 2022- May 2022**

- Delivered comprehensive nursing care to adult patients with diverse medical and surgical conditions, including chronic illness, acute medical needs, and post-operative recovery
- Administered Medications, IV fluids, and blood products accurately and safely, following provider orders and hospital protocols
- Conducted ongoing patient assessments, monitored vital signs, interpreted lab results, and responded promptly to changes in patient condition
- Provided patient and family education regarding diagnoses, medications, discharge instructions, and lifestyle modifications to promote optimal recovery
